

April 13 2006

Hill Cemetery Trustees met at Denise Robie's home on April 13, 2006. Linda Denningham, Denise Robie and Cathy Robie were present and meeting started at 10:40 am.

We discussed the upkeep of three cemeteries for the season of 2006. This includes Bunker Hill, Ferrin and Murray hill cemeteries. Cathy Robie has volunteered to maintain Hill Center Church Cemetery.

We talked in past of hiring a more local person for maintaining Hill cemeteries. We agreed to post an ad on bulletin boards at store and town hall and ask for bids for mowing and maintenance of the cemeteries. It was posted to end on May 5, 2006.

Linda Denningham reported that she had spoken with Steve Rosen and he is planning to build new fence for BHC in sections at home. He didn't have a schedule for starting. Cathy Robie will obtain a posthole digger when needed for the project.

Denise Robie reported that the land where the Sawyer Cemetery is located has been sold. She wondered if she should write a letter to the owner explaining the right of way to Sawyer Cemetery. After talking about the right of way situation, we decided it might be wiser to inform the selectmen that if the owner applied for a building permit that owner would be told of statues that allow entrance and exit to Sawyer Cemetery. Denise offered to speak to the selectmen about this matter.

We decided to have another meeting after we receive bids on cemetery maintenance. The meeting adjourned at 11:45 am.
