

August 16 2006

Hill Cemetery Trustees met at Denise Robie's home on August 16 2006. Linda Denningham , Denise Robie, and Cathy Robie were present. Thte meeting started at 11:05 AM.

Linda reported that she had received several complaints on the lack of mowing at Bunker Hill Cemetery. Linda had contacted Bob Dupuis and he had returned the call and said his machinery had broken down ,but he planned to finish Bunker Hill and Currier Cemeteries in the near future. We remarked about the very rainy June and July and the difficulties of mowing during this period.

Linda reported that Steve Rosen had called her and said that he would make the posts for the new cemetery fence at Bunker Hill Cemetery. Due to a busy summer work season that he would be unable to build the fence sections until winter. He would like us to obtain volunteers and tear down the old fence and install new fence posts. We discussed the fact that we would do this work in October as Cathy also will be very busy in September. She will be able to obtain a fence hole digger and tractor for project. The trustees all agreed that we would work toward this goal in October.

Our meeting adjourned at 12:00 PM.

Respectively submitted.
