

Town of Hill
Hill Planning Board
19 February 2009

In attendance: Robert Helmers

Public: Chris Seufert, Richard Edmunds

The meeting was not held because a quorum was not present. Two members had notified the chair in advance that they would not be able to attend.

Mr. Helmers discussed concerns that Mr. Seufert and Mr. Edmunds had regarding the draft permit conditions for the Circle 3 excavation site. Main concerns were the importation and storage of bulk materials and stone crushing dates. Mr. Helmers agreed to modify the draft conditions and said he would select a hearing date in mid to late March.
