

TOWN OF HILL
SELECTMENS MEETING
DECEMBER 6, 2007

Present: Steve Farris, Mark Dow, Linda Henry (Assistant)
Mike Brady arrived at 7:20PM.

ROADS: Selectmen discussed the findings of Lakes Region Planning in regards to the condition of each road in town. The report gave a rating and recommendations for each road. Discussed which roads needed repair the most. Mark stated that everyone on the road study committee felt that Bunker Hill Road was in the worst condition. Steve replied that if they were not going to follow what the report showed then it should be thrown away. According to the report, sections of Cass Mill and Currier Roads are considered the worst. Also discussed better methods to finance road work and the maintenance of vehicles.

Selectmen briefly discussed an assistance case. As no public were present, there was no need to enter into non-public session.

Respectively Submitted,
Linda J. Henry
