

TOWN OF HILL  
SELECTMENS MEETING MINUTES  
JANUARY 2, 2007

Present: John Nesteruk, Steve Farris, Mike Brady, Linda Henry (Assistant)

**CURRENT USE ISSUE:** Selectmen discussed a letter that was received from Rhonda & Michael Bucklin in which they question the current use change tax recently assessed to them for developing their lot on Lynch Road. The assessor will be contacted as the letter is considered to be an abatement request. Steve will draft a letter for the Board to review.

**POLICE CHIEF:** Donald was given the approval to have Bensons Auto make the repairs on the cruiser. The money will be encumbered from the 2006 budget. Also discussed purchasing a new cruiser.

**FIRE CHIEF:** Matt turned in time cards along with the list of department members who are eligible for the \$200 bonus. He spoke about quotes to replace a fire truck. He also turned in a letter of resignation from Jim Morey as fire chief and fire warden.

**ROAD AGENT:** Dean and the Board discussed buying sand from Circle 3 instead of Edmonds. Circle 3 will be contacted for their price. Tax maps were reviewed.

**HEALTH INSURANCE:** Dean, Dale and Tim came in to discuss the changes in the health insurance benefit. They were offered a new opt-out benefit this year if they chose not to participate in the plan. Linda will request new hire packets from LGC and they will make their decision after reviewing the material.

**GEORGE ROBIE:** George discussed his timber tax bill with Linda.

**MISC:** A letter will be sent to Alan Wild (R10-6) as there appears to be a structure being built on that lot without a permit. The proposed zoning amendments were discussed. A supplemental intent to cut was signed for George Robie (R5-1).

Respectively Submitted,  
Linda J. Henry

John Nesteruk

Steve Farris

Mike Brady
