

TOWN OF HILL  
SELECTMENS MEETING MINUTES  
JANUARY 9, 2006

Present: Steve Farris, Mike Brady, Linda Henry (Assistant)

FIRE CHIEF: Matt asked about putting a warrant article together to lease a new truck for the dept. There is currently about \$40,000 in the Fire Dept. Heavy Equipment fund, but the cost of the vehicle would be around \$235,000. Discussed a lease/purchase agreement as well as alternative ways to come up with the funds for this purchase.

TOWN CLERK: Desiree asked about her mileage request for a workshop on vital records. Selectmen approved the request.

CHRISTINE FOISEY: Christine gave Linda a letter to send with the Lakes Region Hospital donation per the budget committee's request. There was much discussion about continuing to make this donation as they have not even requested it until this year.

GERRY DESROCHERS: Gerry submitted a draft warrant article concerning making improvements to the water system. Discussed holding a public hearing on January 30<sup>th</sup> for all the warrant articles appropriating over \$100,000 as required by law. Gerry suggested that we put an article in the warrant naming the Selectmen as agents to expend from the Wellhead Protection Capital Reserve. Also discussed selling town land in the village.

MISC: Discussed the building that is currently taking place on lot R10-6 without a permit. A letter was sent, but so far no reply has been received. Selectmen signed the assessing contract with Granite State Assessing for 2007.

Respectively Submitted,
