

TOWN OF HILL
SELECTMENS MEETING
JANUARY 6, 2009

Present: Mike Brady, Mark Dow, John Lynch, Linda Henry (Assistant)

ROAD AGENT: Dean reported that we are in compliance with the DOT requirements for bridge postings. The issue on High Bridge is Bristol's to deal with. He requested enforcement of the town ordinance prohibiting throwing snow out into the road. He would like police involvement to help enforce it.

POLICE CHIEF: Dave was given a copy of the town ordinance as mentioned above. The Board questioned some of his recent expenses. He was told that high ticket priced items like computers need to be pre-approved before the purchase is made. He reported that he needs to go through the quotes on the cruiser.

BOB DUPUIS: Mike made a motion to appoint Bob as our new Emergency Management Director. All agreed. Bob was sworn in.

FRAN SANDERSON: Fran spoke about a petitioned warrant article that she has circulated. It involves a tax exemption for wind energy, solar energy and wood furnaces. She is unsure about going through with it and asked some questions about it. She was told that February 3rd is the cut-off to submit it.

MISC: Reviewed the highway dept. budget and budget proposal. Selectmen gave permission for the Planning Board to hire Melanie Waldvogel to be their secretary. Approved an intent to cut for John Lynch (R8-9).

NON PUBLIC SESSION: Entered into nps at 8:10pm to meet with an assistance client. Nps ended at 8:45pm.

Meeting adjourned at 8:45pm.
