

TOWN OF HILL
SELECTMEN'S MEETING
SEPTEMBER 1, 2009

Present: Mike Brady, Mark Dow, John Lynch, Linda Henry (Assistant)

LAKES REGION PLANNING: Kimon Koulet from LRP gave an overview of what the LRP has to offer area towns and the regional projects that they have been involved in.

FIRE DEPT: Chief Desrochers brought in information on a fire truck that he is interested in purchasing. The vehicle is located in Alabama. The Board all agreed that this looked like a good choice so Matt and Mark will travel out to inspect it. The asking price is \$97,425 including shipping, one year warranty, lettering, etc. Matt reported that he attended the ambulance meeting in Bristol and it appears that we are looking at a rather large hike in the cost next year.

MISC: Steve Rosen stopped in to take a look at the roof due to leaking this past winter. It appears that insulation is needed in the attic area. Approved an application to use the town hall for the Girl Scout troops on Monday evenings. Discussed oil prices and whether or not to stick with the school consortium this season. Next weeks meeting will be canceled as Linda will be out on vacation and Mike may not be here.

With no further business to discuss the meeting adjourned at 8:20pm.

Respectfully Submitted,
Linda J. Henry
