

TOWN OF HILL
SELECTMENS MEETING
SEPTEMBER 22, 2009

Present: Mike Brady, Mark Dow, John Lynch, Linda Henry (Assistant)

HIGHWAY DEPT: Due to the illness of the road agent, Dean Stevenson came in to give a brief department update. Discussed the best place to get the vehicles inspected and the need to shuffle money around in the highway budget. Selectmen gave approval to do the necessary repairs in order for the truck to pass inspection.

NON PUBLIC SESSION: Nps began at 6:50pm to meet with two assistance clients. Nps ended at 7:15pm.

WATER DEPT: Commissioners Dave Hemeon and Gerry Desrochers came in to discuss the water project. They are nearing the completion of Piscopo's contract and there are some issues that need to be resolved. They are apparently looking for more money. Selectmen must decide on the repayment of the note, but need additional information before deciding.

MISC: Yield tax warrants were signed. Mike brought up a Planning Board issue involving a subdivision to do with Ragged Mountain. He gave the Board permission to speak to the town attorney about the matter. Mark will be traveling to New York tomorrow to look at a fire truck possibility.

Meeting adjourned at 8:40pm.
