

TOWN OF HILL
SELECTMENS MEETING
SEPTEMBER 29, 2009

Present: Mike Brady, Mark Dow, John Lynch, Linda Henry (Assistant)

HIGHWAY DEPT: Discussed the Wythe property issue with the road agent as it appears that the stone wall was rebuilt without town permission. A letter will be sent to the property owner requesting that they attend a meeting. Other general dept. business was discussed.

FIRE DEPT: Matt spoke about the ambulance contract for next year as a major increase has been proposed. He is checking into other options. The fire truck that they traveled to see in New York last week is not a good option.

LEON NELSON: Mr. Nelson, trail administrator for the Andover Snowmobile Club was given permission for snowmobile access on town property (R13-29, R12-8-1) the power line trail for a period of five years and Currier Road for a period of one year.

MISC: Selectmen reviewed the revised assessments submitted for the update.

Meeting adjourned at 8:30pm.

Respectfully Submitted,
Linda J. Henry
