

TOWN OF HILL  
SELECTMENS MEETING  
OCTOBER 27, 2009

Present: Mike Brady, Mark Dow, John Lynch, Linda Henry (Assistant)

POLICE DEPT: Chief Kratz reported on general dept. business. The cruiser decals should be ready by the end of week.

ROAD AGENT: Dean reported that vehicle repairs were done and discussed budget issues.

JENNIFER TURNER: Jennifer expressed concern about her new property assessment again. She was told to apply for an abatement as that is the only legal recourse at this point.

WATER DEPT: Gerry asked the Board to decide on how to repay the bond for the water improvements. Mike made a motion to make semi-annual payments, all agreed. The commissioners rejected Piscopo's request for additional funding at the advice of town council. The engineer must now decide.

CURRENT USE ISSUE: The Davis current use issue was discussed again. John would like to give him an opportunity to clean up the area that would need to be removed from current use. He feels the change tax is too steep and that the value placed on that land is not appropriate. Discussed having John try to determine a fair value.

MISC: An application was approved to remove a mobile home from 52 Park Street. Discussed fire trucks, but the chief was not here to give his input.

Meeting adjourned at 8:30pm.

Respectfully Submitted,  
Linda J. Henry
