

TOWN OF HILL  
SELECTMEN'S MEETING  
NOVEMBER 17, 2009

Present: Mike Brady, Mark Dow, John Lynch, Linda Henry (Assistant)

MISC: Selectmen discussed the items that need attention in the town office building after a surprise inspection of the facility by the Dept. of Labor. Mark will contact a gentleman to work on some of the repairs. He also offered to be the representative on the safety committee. A memo has been sent out to all town departments soliciting for members of this committee.

Selectmen signed the award of contract with A. J. Coleman & Son for the Borough Rd. Bridge construction project.

LUCY NATKIEL: Lucy inquired as to why the Board would not refund the timber tax money she paid. She never received anything from the logger and felt that she should not be liable for the tax under the circumstances. She was told the law does not make allowances for such issues and that is why the town could not honor her request.

FIRE DEPT: Chief Desrochers presented his department's 2010 budget proposal. Discussed insulating the fire station. He has not heard anything about the offer that was made on the fire truck.

Meeting adjourned at 8:20pm.

Respectfully Submitted,  
Linda J. Henry
