

TOWN OF HILL
SELECTMEN'S MEETING
DECEMBER 15, 2009

Present: Mike Brady, Mark Dow, John Lynch, Linda Henry (Assistant)

MISC: Selectmen discussed the town office building repairs. Electric, insulation and air quality issues need to be addressed, just to name a few.

Selectmen signed abatements due to the revaluation and or current use for John Jordan (R8-16) and Frank & Judy Pescinski (R13-33, R12-44).

Discussed the Robie Current Use change tax appeal to the Board of Tax and Land appeals. Will decide next week whether to send the assessor or handle it themselves.

FIRE DEPT: Acting Chief, Dee Ford asked the Board about the Chief's position. At this time they have not made any decisions on who will fill Matt Desrochers spot after his resignation. Dee estimated that it will cost approximately \$13,000 to outfit the new fire truck. Need to determine if the warrant article for the fire truck lapses after the year is over as the funding for the equipment would come out of the capital reserve. Mark told her that there is a variety of free training available through the Local Government Center.

WATER DEPT: Gerry Desrochers stopped in briefly to discuss some water project issues.

Meeting adjourned at 8:30pm.

Respectfully Submitted,
Linda J. Henry
