

TOWN OF HILL
SELECTMEN'S MEETING
JANUARY 26, 2010

Present: Mike Brady, Mark Dow, John Lynch, Linda Henry (Assistant)

FIRE DEPT: Acting Chief Deanna Ford inquired about allowing a former member to come back to the department. The Board had no issues with that.

MISC: John brought up an assessment issue that had been called to his attention recently. The board felt it needed to go through the abatement process to be handled in the proper manner.

Selectmen discussed quotes received for the highway department.

They received the first two payment requests for construction of the Borough Rd. Bridge project. Mike will review them prior to making the payment. The money in the Bridge Repair and Replacement Expendable Trust Fund will be requested in the hopes that this will continually be spent and quickly reimbursed by the State without causing cash flow issues.

An intent to cut was signed for John Reise (R3-15).

Meeting adjourned at 8:30pm.

Respectfully Submitted,
Linda J. Henry
