NEW BUSINESS:

Sanitary Protection Area – Mr. Cross and Ms. Goumillout came to speak to the commissioners the letter they received regarding the SPA easement and their property located within the area identified as map/lot R6-48. The house on this property was built in 1954 +/-.

Non-compliant lot R10-008 – The commissioners discussed the idea of having this property appraised by a private and independent appraiser to determine a true value of this property. It was suggested that if a reasonable appraisal comes in that an offer be made to the owners since this property has been deemed un-buildable and a variance has been denied by the Zoning Board of Adjustment. (This property lies within the Sanitary Protection Area.)

Motion was made to allow spending of up to \$350.00 to obtain an appraisal on R10-008.
