NOTICE OF DECISION

Case No: R6-8 Circle 3 Sand and Gravel

You are hereby notified that the request:

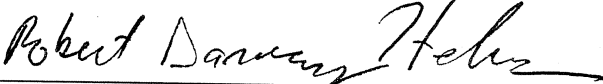

by Bootjack Road LLC, pursuant to NH RSA 155E, for a special exception to allow excavation operations on the property, R6 Lot 8, located on Bootjack Road as presented in site plans labeled "Proposed Gravel Pit – Bootjack Road LLC" dated April 18, 2008. has been **approved**, by a vote of at least three members of the zoning board of adjustment.

The approval is subject to the following conditions:

Condition 1: The applicant must submit a set of operation guidelines and standards that receive approval from the planning board and operate the excavation in a manner that does not create a nuisance. The plans should include as a minimum, hours of operation, limited time periods for use of crushing equipment and plans for controlling noise, traffic and dust.

Condition 2: Crushing operations are not to exceed 30 days in spring and 30 days in fall.

Condition 3: Require the applicant to obtain a site plan review permit to address environmental concerns and regulate the fate of the existing asphalt pile. Future importation of asphalt or other bulk material for use as an adjunct to crushed material is prohibited.

Chairman,

Board of Adjustment
