Re-hearing for Special Exception to excavate

Notice is hereby given that a hearing of the Zoning Board of Adjustment and will be held at 7:30 p.m. on October 20, 2008 in the cafeteria at the Jennie Blake School concerning a proposed expansion of operations at the Circle 3 Gravel Pit on Bootjack Road. A motion to grant a re-hearing was approved on September 22, 2008 to allow the board to re-consider the nuisance criterion. The ZBA will consider requirements for a special exception under RSA 155-E:4 and the town zoning ordinance. The owner, Bootjack Road LLC, proposes sand and gravel excavation on 27.5 acres of a 153 acre parcel. The project will occur in eight phases and the anticipated completion time is six years, ending in 2014. The eight phases are contiguous and located in the southwestern portion of the parcel. Each phase will be restored after completion of operation in that area. The property, Tax Map R-6 Lot 8, is located on Bootjack Road near the intersection with Dearborn Road. The public is invited to express concerns and opinions related to this matter. Should a decision not be reached at the public hearing, the hearing for the applications will stay on the agenda until such time as it is either approved or disapproved.
