The planning board will not meet on March 19, 2009 due to scheduling conflict with town meeting. The board will meet on March 30, 2009.

**Public Hearing for Circle 3 Excavation and Site Plan Review
Permits**

Notice is hereby given that a public hearing will be held at 7:30 p.m. on March 30, 2009 in the Cafeteria at the Jennie Blake School to hear comments regarding the proposed expansion of operations at the Circle 3 Gravel Pit on Bootjack Road. The planning board will evaluate the site plans and operations under the town excavation regulations and site plan review regulations. The owner, Bootjack Road LLC, proposes sand and gravel excavation on 27.5 acres of a 153 acre parcel. The project will occur in eight phases, which are contiguous and located in the southwestern portion of the parcel. Each phase will be restored after completion of operation in that area. The property, Tax Map R-6 Lot 8, is located on Bootjack Road near the intersection with Dearborn Road. The public is invited to express concerns and opinions related to this matter. The application for an excavation permit and the site plans will be submitted at the hearing and a public hearing on the merits will begin thereafter. Should a decision not be reached at the public hearing, the hearing for the applications will stay on the agenda until such time as it is either approved or disapproved. Contact the planning board chair for additional information.
