OFFICE TAX COLLECTOR/TOWN CLERK

Desiree L. Mahurin

PUBLIC NOTICE

3/23/2010

It is with sincere regret that I must inform the residents of Hill that due to budgetary cuts made at the Town Meeting of March 11, 2010 the Town Clerk/Tax Collector Office must adjust the public office hours as stated below. The hours below may see further adjustments if further budgetary needs arise. It is the hopes of this office as well as that of the Board of Selectmen that this will be a temporary adjustment to help get us through these difficult economic times and that normal hours of operation will resume in the next budget year.

The office also will no longer have on-call coverage available to allow the office to be open during absences of office staff due to required training, emergencies, illnesses, deaths, etc. Therefore further closings or adjustments may be necessary to the hours listed below. All efforts will be made to notify the public in advance of any further changes to hours. Such notices may be posted on the Town of Hill website @ www.townofhillnh.org, public notices posted at the Town Office Building and the Hill Post Office as well as recorded messages on the phone at 934-3951.

Due to the limited public hours available it will be imperative for residents to plan their town business transactions accordingly. Transactions are always available to be processed through the mail and appointments may be made for emergency situations by contacting the Town Clerk/Tax Collector Office.

On-line motor vehicle **renewal** registrations are available through the State of NH website @ www.egov.nh.gov/compass

When using this on-line system you must process your renewal registration no later than the 22nd day of the month that the registration is expiring to ensure proper receipt of your registration before the end of the month.

Sincerely,

Desiree L. Mahurin
