PUBLIC HEARING

The Hill Water Commissioners will conduct a public hearing at their regular meeting on December 15, 2010 at 7:00 PM regarding revisions to the Ordinance Establishing Water Rules, Regulations and Rates for Hill Water Works. The hearing will take place in the Caroline B. Robie Meeting Room of the Hill Public Library, 30 Crescent Street, Hill, NH.

The proposed revisions will implement a usage based rate structure effective January 1, 2011.

The proposed rates are \$42 per month per unit plus \$0.16 per 100 gallons. Customers using less than 2500 gallons per month will have a lower monthly bill and those using more than 2500 gallons will have a higher bill, in proportion to the amount of water used.
